Daffodil Days, sponsored by the Oxford County Unit of the American Cancer Society, will be observed in the Bethel area on March 30-31. Advance sales indicate that the Bethel Savings Bank has purchased these "Flowers of Hope" to be given to their customers at the Bethel Bank and the Harrison and West Paris branches. HISTORICAL SOCIETY TO HEAR OF PRESERVATION GROUP AT POLAND SPRING

Mrs. Faye Walker, executive director of the Poland Spring Preservation Society, will be the featured speaker at the monthly meeting of the Bethel Historical Society to be held Thursday, April 5 in the meeting room of the Dr. Moses Mason House at 7:30 p. m. Mrs. Walker, who also is associated with Channel 8 television, is a native of Poland Spring and will provide a slide presentation on the subject, "The Maine State Building and All Souls' Chapel." These structures are among the last survivors of what was once a nationally famous hotel complex.

The Maine State Building was constructed for the 1893 Chicago Exposition and was moved by the owners of Poland Spring, the Rickard family, to the present site in 1894. A marvel of architectural design, it is now being restored by the Poland Spring Preservation Society through a grant from the Maine State Preservation Commission.

All Souls' Chapel, located directly across the drive from the Maine State Building, was completed in 1912 and contains an organ built by one of America's great organ builders, Ernest Skinner who is buried in Bethel's Woodland Cemetery.

Everyone interested in this presentation is cordially invited to attend. Refreshments will follow the program.

A meeting of the Education and Research Committee of the Bethel Society will be held on Monday, April 2, in the Eva Bean Research Room at 3:30 p. m. All committee members are urged to attend.

The report of the Telstar Student Council, covering activities at the high school, was given by Rachel Mills of Woodstock and Doug Webster of Bethel.

Kenneth Smith, superintendent, reported that music instruction assignments will be changed for the 1979-80 school year. Jerry Heffley will be assigned to the Telstar facility, and Mrs. Jane Ford to the elementary schools in the district. Each teacher will be responsible for the total music program in their assigned area.

The Telstar Regional High School principal, Dr. Wayne Gersen, reported that the Mountain Valley Conference had been dissolved and that Telstar will be scheduling athletic competition independent of conference affiliation for the 1979-1980 school year.

Mrs. Marie Wilson reported that

the spring musical, "Plain and Fancy," sponsored by the Adult and Community Education Department, Telstar Drama Club, and the Telstar Music Department will be presented on May 4 and 5. Both students and adults are rehearsing under the direction of Benny Reehl.

Mr. Smith stated that he was in receipt of a letter from the New England Association of Schools and Colleges and that Telstar Regional High School will receive a five-year accreditation through 1983.

A finance committee consisting of Darlene Hall, Andover; Margaret Wight, Newry; and Brian Stowell, Woodstock, was approved by the directors.

The president of the Greater Bethel Chamber of Commerce, Donald Bennett, was present to discuss with the directors the limited use of school buses in order to support tourism in the area, and if the gas situation becomes critical, for a local shuttle service on week ends. He expressed his confidence that the

committee would be successful in its efforts.

On Thursday evening, March 22, the board of directors of the Northern Oxford Health and Service Council and invited guests attended a health education workshop held at the Bethel Savings Bank. The major portion of the program included participating in the role-playing game "Blood Money," which simulates on an abstract level the general character of the experience of the handicapped person and those who provide him with health care. The game is designed to convey to the participants an understanding of the issues and problems of the handicapped so that players may more fully comprehend the worlds of patient and those working in the health care sector. It provides a learning vehicle for those concerned with the nature, operation and dilemmas of the health care delivery system.

The evening ended with refreshments and tour of the Health Center.

to present their findings and discuss ways to provide facilities that the town needs.

Robert Davis the fire apparently started in the vicinity of a TD tractor stored in the building. The tractor was considerably damaged by the fire. A nearby garage and carpentry shop were saved.

CAREER EDUCATION PROGRAM BEING PLANNED BY EDUCATION-WORK COUNCIL

At its March meeting on Wednesday, the Bethel Area Community Education Work Council devoted part of the meeting to formulating goals and objectives for a career education program proposed for the fall of 1979. It is the council's plan to provide intermediate drafts of the plan to members of the MSAD #44 school board so that collaboration between the council and the board will be facilitated. The introductory phase objectives do not call for any increases in the school district's operating budget.

The goals which will be presented to the council for consideration include (1) introducing career education into the MSAD #44 system starting in September 1979, (2) determining what changes, if any, are required in the adult education program to permit follow-up classes for Telstar graduates who elect to remain in the area after graduation but feel the need of further education, and (3) to instill in students at an early stage in their school life the idea of voluntary community service and work for which there is no expectation of immediate monetary reward.

The initial draft of a career education goals and objectives paper will be based on the contents of a public letter on the subject of career education, published in The Bethel Citizen on March 8.

PLANS ANNOUNCED FOR NEW BETHEL BROCHURE

The 1979 edition of the Bethel area brochure which is produced by the Greater Bethel Chamber of Commerce will focus more on answering general inquiries about the town than on tourist information. The planned layout includes sections on local history, the economy and business trends, educational facilities, social activities and the immediate surrounding area.

The brochure cover will include four photographs—the setting of Bethel in the Androscoggin valley, logging, skiing and Gould Academy. Inside the photo coverage will include Broad Street, farming on the Middle Intervale, the Sunday River covered bridge as a near-by sightseeing attraction, Telstar Regional High School, and possibly one of a student climbing Tumbledown Dick. Besides the photographs and text, there will be a map of the main roads in the area covered by the town of Bethel and listing of subscribing businesses.

At the chamber's annual meeting on Jan. 31, a \$10 per business listing charge was approved as a means for obtaining funds to print this year's brochure. An application form will be mailed to all business members by March 24 so that they can indicate whether or not they want their business listed in this brochure.

Besides the Bethel brochure, the chamber will produce five tourist brochures: Lodgings and Restaurants, Local Fishing, Sightseeing, Grafton Notch and Evans Notch.

German Diary

by Ann Morton

The Fasching season has just ended, and the last few days of it were very exciting in some parts of southern Germany, Austria and Switzerland.

The season begins on the eleventh minute of the eleventh hour of the eleventh day of the eleventh month. It more or less gets over-shadowed by the Christmas holidays, but events begin to pick up in the early weeks of the new year.

The customs are of Christian and pagan origin. The old Germanic tribes used wooden masks to scare away the evil spirits of the long winter nights. As these tribes moved, their customs went with them. They mingled with later Roman customs, and the word "carnival" or "Karneval" is of Latin origin. "Carne Vale" can be translated "away with meat". The festival names of KARNEVAL, FASCHING or FASTNACHT can be found in various parts of Europe.

There are many ways that the season is celebrated. Villages often have their long - lasting traditions. Costume parties, special songs, and festival parades take place. In some places a number of "Büttenredner" appear in a barrel and poke fun at events of the past year, politicians, or prominent citizens.

Cologne is famous for its festival parade with huge floats, marching bands, drill teams; a prince and princess are chosen to reign over the festivities, and people come from all over the area to see the parade. Other cities feature parades, too.

In most areas, the season reaches its peak in the final week. The final Thursday (SCHMUTZIGER DONNERSTAG) marks the beginning of the end. The last three days, known as the Three Wild Days are Fasching-Sauntag, Rosemontage and FASTNACHTSDIENSTAG. At exactly midnight preceding Ash Wednesday the Fasching season ends and Lent begins.

Berlin with its urban, Prussian influence, does very little in honor of the Fasching season as a public display. Private citizens surely use the final week end as an excuse for big parties. At the Berlin American Elementary School, the host nation teachers got the plans made for a Fasching parade by the students. Costumes, fancy hats were the order of the day, and the Army band played for the event. Due to a big snow storm, the parade had to be held in the halls and gymnasium of the school. Prizes were awarded in some classes for most original costumes.

In Austria and Berchtesgaden many people I met were just recovering from a Fasching party or anticipating one. Shop windows were decorated with thin, curly streamers, and costumes and hats were being sold.

After a long winter, it seems like a good idea to have a celebration like this. Perhaps it was successful; our snow has nearly melted, and the weather has been unseasonably warm the past week.

Once again it is that time of month for those people with automobiles with March expirations to come in and pay excise tax and either re-register the automobile at the Town Office or at a Motor Vehicle Registry. Check the sticker on your plate and if the date is March '79, your registration runs out this Saturday.

The parking ban on streets for overnight parking is no longer effective as of April 1, 1979.

The Assessors will be in session to receive lists of estates on Monday, April 2, 1979, from 10 a. m. until 5 p. m. at the Town Office.

Dog licenses were due on Jan. 1, 1979. There are still several that need to come in. A list of unlicensed dogs will be turned over to the dog officer, who will, if necessary, serve a summons for collection. The list will be obtained from the dog census that was taken last year. If you no longer have a dog that you had last year, it is important that you call the Town Office to inform them of the change.

The Board of Selectmen met Monday evening March 26 in the meeting room of the Bethel Savings Bank. Samuel Timberlake was elected chairman for 1979 and Stanley Howe was elected vice-chairman.

STATE OF MAINE HOUSE OF REPRESENTATIVES Karen L. Brown

This week marks the halfway point for the 1st regular session of the 109th Legislature, and it now looks as if the 100-day session will end some time in June after having considered approximately 1,800 bills. As of last week, about 1,153 bills were either being reviewed by the appropriate legislative committees or had been submitted to the Legislature for floor debate. Of the original 2,326 bills requested, over 680 have been withdrawn.

Provision in State Employees Wage Contract Stirs Concern

Although Gov. Brennan and union leaders of the Maine State Employees Association have come to a tentative agreement on a wage contract, that agreement which ended 17 months of deadlocked bargaining is still awaiting ratification by rank-and-file employees. Even if the \$24.2 million contract is approved by state employees, it cannot be ratified until two-thirds of the Legislature places their stamp of approval on it.

Within the next few days, the Legislature will probably be called upon to vote yes or no on the final version. At the time the proposal was agreed to by union and state negotiators the Legislature was unaware that a so-called "fair share provision" would be part of the final wage package. It is this provision which has caused the most concern among lawmakers.

The "fair share" provision would require those employees in a bargaining unit who do not belong to the union to join or pay 80% of the union dues which would automatically be deducted from their weekly wages. Any employee who refuses to pay the "fair share" would be fired from state employment.

There are many legislators who have few problems in voting for the employee wage increase, but join me in finding it distasteful to vote for a measure which would demand that public employees pay union dues. This contract provision could be considered a "back door" approach to force non-union employees to support the union whether they wish to or not. In the past, the Maine Legislature has specifically prohibited this type of compulsory payment to unions. The fact that the entire package must be approved or disapproved, rather than eliminating this single issue has caused a great deal of soul searching among many legislators.

Budworm Spraying Approved

The Maine House gave first-line approval to an \$11 million spruce budworm spraying program by a wide margin. The budworm program, embodied in a wide-ranging appropriations act that will take the state over until the next fiscal year beginning July 1, stirred the only debate on the bill. The paper industry is not happy with the payment provision in the spraying program. The major landowners pay about \$6 million for the program, the federal government will pay about \$4 million, and the state's general taxpayers less than half a million dollars.

Notice to Maine Taxpayers

It has come to my attention that, with the introduction of the new Maine Income Tax Short Form this year, some taxpayers may not be claiming all of the benefits to which they are entitled.

The new Maine Short Form 1040-A-ME is not to be used by taxpayers with child care or retirement credits. Taxpayers who have these credits on their Federal return must file the Maine Long

West Bethel - Mrs. Lona Gilbert, Corres.

Monday morning, raining early with around 40° temperature. Sunday was a rainy, foggy day. Pleasant River came up and water was over the road Sunday out by meadow brook. People living in Mason went to Bethel via Grover Hill. Water also came up and washed out places on the road leading to the Smith farm, so some gravel had to be hauled in to repair that road. The snow has settled a lot in the past week. We had quite a few sunny days, followed by the rain and fog Sunday.

Malcolm Bennett, son of Mr. and Mrs. Donald Bennett, left Friday for Orlando, Fla., where he expects to have employment.

Mrs. Grace Morrill of Mason was in Norway to visit Mr. and Mrs. Marlan Johnson over the week end. She returned home Sunday morning after hearing water was over the road out by meadow brook.

Mr. and Mrs. Ralph MacArthur and daughters, Dena and Diane of Goffstown, N. H., came Saturday to visit Mrs. MacArthur's mother, Mrs. Grace Hutchinson and her parents of Berlin, N. H. They returned home Sunday.

Mr. and Mrs. Shirley Gilbert and I were in South Paris Sunday to visit their son, Robert Gilbert and family.

Mr. and Mrs. Kieth Bennett and son, Tracey, of Mechanic Falls, came Friday night to visit his mother, Mrs. Dot Bennett, returning home Saturday night.

Mr. and Mrs. Clavier Hutchinson of Farmington were visitors at their sister's and husband's, Mr. and Mrs. Wendall Roberts, one day last week. Saturday Mr. and Mrs. Sherman Piper and three children of Dixfield were guests of Mr. and Mrs. Wendall Roberts. On Sunday, visitors at the Roberts home were Mr. and Mrs. Carlton Cole, Duane Roberts, Mr. and Mrs. Peter Seames, all of Locke Mills.

On Tuesday of last week Mr. and Mrs. Cleve Lovejoy had supper with Mr. and Mrs. Albert Downing of West Paris.

Mrs. Harriet Stowell and Mrs. Cathryn Lovejoy visited Mrs. Ruth Grover and Mrs. Maggie Lovell on Tuesday of last week. They found them both in good spirits and growing in strength every day.

Thursday Mrs. Barbara Wheeler, Mrs. Harriet Stowell and Mrs. Cathryn Lovejoy met at the home of Mrs. Ann Mason for Bible study. They extend an invitation to any one who would like to join them in the study at 1:30 p. m. each Thursday at Mrs. Ann Mason's home.

Friday, Mrs. Cathryn Lovejoy, Mrs. Tyrene Lovejoy and children, Shane and Angela and Terra Sweetser, were luncheon guests of Mrs. Dorothy West and family of Rumford.

Mrs. Lona Gilbert, Corres.

Monday morning, raining early with around 40° temperature. Sunday was a rainy, foggy day. Pleasant River came up and water was over the road Sunday out by meadow brook. People living in Mason went to Bethel via Grover Hill. Water also came up and washed out places on the road leading to the Smith farm, so some gravel had to be hauled in to repair that road. The snow has settled a lot in the past week. We had quite a few sunny days, followed by the rain and fog Sunday. Malcolm Bennett, son of Mr. and Mrs. Donald Bennett, left Friday for Orlando, Fla., where he expects to have employment.

Mrs. Grace Morrill of Mason was in Norway to visit Mr. and Mrs. Harlan Johnson over the week-end. She returned home Sunday morning after hearing water was over the road out by meadow brook.

Mr. and Mrs. Ralph MacArthur and daughters, Denna and Diane of Goffstown, N. H., came Saturday to visit Mrs. MacArthur's mother, Mrs. Grace Hutchinson and her parents of Berlin, N. H. They returned home Sunday.

Mr. and Mrs. Shirley Gilbert and I were in South Paris Sunday to visit their son, Robert Gilbert and family.

Mr. and Mrs. Kieth Bennett and son, Tracey, of Mechanic Falls, came Friday night to visit his mother, Mrs. Dot Bennett, returning home Saturday night.

Mr. and Mrs. Cuvier Hutchinson of Farmington were visitors at their sisters' and husbands', Mr. and Mrs. Wendall Roberts, one day last week. Saturday Mr. and Mrs. Sherman Piper and three children of Dixfield were guests of Mr. and Mrs. Wendall Roberts. On Sunday, visitors at the Roberts home were Mr. and Mrs. Carlton Cole, Duane Roberts, Mr. and Mrs. Peter Seames, all of Locke Mills.

On Tuesday of last week Mr. and Mrs. Cleve Lovejoy had supper with Mr. and Mrs. Albert Downing of West Paris.

Mrs. Harriet Stowell and Mrs. Cathryn Lovejoy visited Mrs. Ruth Grover and Mrs. Maggie Lowell on Tuesday of last week. They found them both in good spirits and growing in strength every day.

Thursday Mrs. Barbara Wheeler, Mrs. Harriet Stowell and Mrs. Cathryn Lovejoy met at the home of Mrs. Ann Mason for Bible study. They extend an invitation to anyone who would like to join them in the study at 1:30 p. m. each Thursday at Mrs. Ann Mason's home.

Friday, Mrs. Cathryn Lovejoy, Mrs. Tyrene Lovejoy and children, Shane and Angela and Terra Sweetser were luncheon guests of Mrs. Dorothy West and family of Rumford.

Saturday Mr. and Mrs. Cleveland Lovejoy were in Portland to visit Mr. and Mrs. Wallace Loffreda and family. Ellen Lovejoy of Augusta joined them there.

Eveline Barrett, Corres.

Spring has begun. Can't you just hear the brook roaring and rushing down to meet the river? It is very high and lots of water goes under the bridge. Has everyone got a full well? The snow is fast disappearing. We have had a lot of rain in 24 hours.

Many long logs and much pulp have been trucked by my house in the last two months, but it is getting soft in the woods now and many pot holes on all roads.

My nephew, Dale Coffin, wife and two sons will fly to Tampa, Fla., March 28 to visit Sandra's parents, Mr. and Mrs. Arthur Bonney and family, former residents here in our hamlet. Dale drives a pulp truck for Charlie Coffin but with the snow breaking up it is vacation time.

Mr. and Mrs. Elwood Yeaton were in town this week end at his mother's, Mrs. Leona Yeaton and Lucius Newton.

We were sorry to hear that Patrick Myers had to go back to Norway hospital Friday evening and he had just got home from a gall bladder operation. Keep your chin up Pat.

Eveline Barrett called on Mrs. Lillian Tuell, also Richard and Barbara Felt and Sharon Scherf. Forgot my boots so got cold.

This Monday morning it is trying to clear off, and we may see the sun again. I am going to walk to the bridge to see the water tumbling and maybe throw in a rock.

Have a good week.

B.E.A.R.S., Inc.

(Bethel Emergency Ambulance & Rescue Service)

A meeting will be held on April 4, at CMVIT (Auburn) with Bud Folsom. The meeting will be about new ambulance rules and regulations.

Congratulations to the following Bethel people, Marcus Moore, Mary Buckman, Donald Morin, Jeff Parsons, Patti McDermott, Jean Ness, and Jan Stowell, for successfully completing the E.M.T. course and passing the State of Maine practical and written exams. All of the above are currently members of the B.E.A.R.S., with the exception of Jan Stowell, who it is hoped will join in the future. Several others are in the process of finishing. They are also wished good luck.

The B.E.A.R.S. also extend congratulations to the Stoneham Rescue personnel and to Raymond Seames, Greenwood Fire Dept., for successfully completing the E.M.T. course and passing the State of Maine written and practical exams.

The B.E.A.R.S. currently have nine State of Maine Emergency Medical Technicians and two National Registered E.M.T.s.

Safety Tip of the Week — Motorists beware when pulling off the sides of roads. The shoulders of roads are very soft this time of year and could cause an accident.

The Moloketixers had their monthly club dance on Saturday, March 24. Due to notice in advance of a busload coming from the "Zip Zip Squares" of Lisbon Falls, they held the dance at the Rumford High School Gym. The caller was Glen Zeno from Saco. There were couples from Zip Zip Squares, Lisbon Falls; Swinging Bears, South Paris; Triple Town Squares; Jay, Sandy River Promenades; Strong; Sage Swingers, Brunswick; and a good number from the Moloketixers. Mr. and Mrs. Harvey McGuire returned March 21 from Phoenix, Ariz., where they visited for ten days and attended March 17 the wedding of their granddaughter, Marjorie Seaward and Billy McPherson.

Penny Poor returned to Laconia, N. H., on Sunday after spending a week visiting her parents, Mr. and Mrs. Archer Poor Jr.

Mr. and Mrs. Paul Lapierre and Terri of Canaan and Walter McHugh, were week end guests of their sister, Mr. and Mrs. Paul Nevel.

It must be spring. Everyone has taken to the road either walking, jogging or riding bikes or skateboards. Some have decided to give Mother Nature a hand and shovel the snow so the sun can do a better job and quicker. After such a cold winter we'll all be glad to see warmer weather.

Mr. and Mrs. Fred Glover, West Buxton; Mrs. Verna Robertson, Robert Duran of Newry; Mr. and Mrs. Mark Thurston, Rumford; were Saturday callers of Mrs. Sernice Glover.

George Akers received word of the birth of his third grandson. Darrel George Cook is the fourth child of Mr. and Mrs. Randy Cook (nee Margaret Akers). Master Darrel was welcomed home by Jeremy, Heather and Randy Jr.

Again the Union at Andover Wood Products was defeated. Guess the old "hard heads" are satisfied to work for a day's pay and give their best without some-one standing over them to tell them what and when and how to do a job they've done for years.

FRANKLIN GRANGE #124
Franklin Grange met March 19
in the Juvenile hall for an Agricul-
tural program.

The Legislative Committee ex-
plained the Tree Growth laws,
wild life conservation and the
damage that the coyotes are do-
ing to the deer in our area. Gun
control was also discussed which
is another totalitarian clement
creeping into the United States.

The criminals are the only ones
who are protected now in our
country.

It was voted to join the Pride of
Maine contest.

Cards were sent to the ill mem-
bers. Iva Beck who broke her hip
recently and Doris Hayes who is
in the hospital with infection in
her leg.

The program: song, Bringing in
the Sheaves; Roll call: "What seeds
would you plant if you could only
plant two kinds? The peas was
the most favored.

Contest on scrambled words on
seeds was won by Letty Brooks,
Kay Billings and Ruby Emery.
Reading, "Time to Grow"—Ethel
MacKenzie. The Master, Richard
Pelt and Overseer, Carl Brooks,
favored us with music on the
bones and harmonica. Carl also
read an article on farming. The
Lecturer showed a reel on flow-
ers.

This was followed by an
original song, "God, the Farmers'
Helper". Closing thought by Har-
ris Hathaway was in the Masters
charge about planting the seed.

The next meeting will be April
2 when we hope to be upstairs in
the big hall for a hobby meeting
with Carl Brooks in charge of the
hobby show. Everyone bring your
hobby and be prepared to tell
all about it. All are welcome.

OXFORD COUNTY TASK FORCE
ON CHILDREN AND FAMILIES

The Oxford County Task Force
on Children and Families is a
newly-organized group of profes-
sionals and concerned citizens who
share the common belief that in-
dividual and family life-coping
skills are best achieved within the
setting of one's own community;
at the same time, Task Force mem-
bers acknowledge special needs
which require the availability and
coordination of both County and
State resources.

Start-up Task Force goals in-
clude review of Legislative docu-
ments pertaining to child/family
resources; identification of existing
resources; and to identify and pri-
oritize do-able projects to fill re-
source gaps.

The next meeting will be held
at the Health Education Room of
Stephens Memorial Hospital, Nor-
way, on April 4 at 4 p. m. Inter-
ested persons are invited to attend.

Letters to the Editor
March 22, 1979

To the Editor:
Congratulations and a well de-
served "thank you very much" to
the Bethel Citizen and to Kathleen
P. Guinness, School Counselor, Tel-
star High School, for the timely
and well expressed publicity for
the notice of the annual schol-
arship award for full tuition for
the freshman year at any one of
the campuses of the University of
Maine, under the provisions of the
John B. Fox Scholarship.

This scholarship was established
about four years ago by Mrs. Eu-
nice J. Phister in memory of her
first husband, John B. Fox, for
many years an assistant Dean at
the Harvard Business School. Dean
Fox was devoted to Andover and
to the citizens and the youth of
the area.

As subscribers for many years,
to the Bethel Citizen, Mrs. Phis-
ter and I are happy to express to
you our appreciation for your fine
sense of responsibility to the
public in general and to the citi-
zens of North Oxford County and
Andover.

Very sincerely yours,
Lispenard B. Phister

of Dixfield, visited Mrs. David Foster Friday. The Roland Tyler family also had a beautiful bouquet sent to welcome us home.

Clayton Bartlett of Kennebunk visited Mrs. Urban Bartlett and Mr. and Mrs. Clark Bartlett Sunday.

I returned home March 23 after spending the winter with my sister, Miss Gwendolyn Maxwell, in Long Beach, Calif. In February she took me to the Hawaiian Islands where we visited four of the islands. It was very rainy there most of the time; only two real sunny days in the two weeks we were there. In Honolulu we took a trip around the city, visiting the Punchbowl, the International Cemetery where many of the military personnel that were killed at Pearl Harbor were buried. It is a beautiful cemetery with a great memorial in the center with names of all the ones who are buried there. We visited the grave of Ernie Pyle, for one of the noted ones. The next day we took a cruise to Pearl Harbor to see the Arizona Memorial there. We didn't get out to go through it, but we took pictures of it. That day was one of the sunny ones we had in the islands. On Feb. 8, we visited the Polynesian Village on the other side of Oahu, and also the Mormon Temple and University that was there. The Polynesian Village has representative houses of Samoa, Tahiti, Tonga, Fiji, Maori, Marquesas, New Zealand and Hawaii, which showed the different arts of each village as well as their students. This village is run by the students of Brigham Young University to help them pay for their tuition. They also put on the Polynesian shows and dances and have charge of the dining room. Each of the villages put on their native dances at a special show twice a day. The Mormon Temple is called the "Temple of Hawaii." It stands in a beautiful setting of palm trees and surrounded with all kinds of beautiful flowers and buildings. The next day we went to the Kodak Show in the Honolulu Park which puts on Polynesian dances. At the end of the older we would teach any one who wanted to learn some of the dances. Unfortunately before the second half came, the sky opened up and it poured, scattering all the show. Everyone scattered for the shops to get out of the rain. After the rain almost stopped we visited the Honolulu Zoo which covers quite a few acres. Later in the day we went to Kauai Island. I'll write more about that next week.

Mrs. Walter Hamlin of South Waterford met us in Portland when we flew east. We stayed overnight with her and she brought us home Wednesday. Mrs. Richard Stearns of Rumford Corner had the fires going and lunch started when we got home.

Mr. and Mrs. John Foster and children, Denise and David, and a baby, Sarah, whom Denise was caring for visited Mrs. David Foster Saturday.

Dr. Herschel Abbott, Leverett, Mass., and John Miller of Readfield were week end guests of Mr. and Mrs. Peter Haines.

I know we have plenty of water in our well now; it is overflowing into the cellar.

Maude Harrington and Roy Cummings attended the birthday celebration for their cousin, Miss Mabel Shaw in Portland on Sunday. She is 100 years old.

Edith Russell, Fryeburg, visited Maude Harrington Saturday. I went to West Poland Tuesday. Their roads were unbelievable. I wondered if the people I met traveling so fast were natives or unsuspecting visitors like me.

I know we have plenty of water in our well now; it is overflowing into the cellar.
